Christ the King

- Today is called **Christ the King Sunday**.
- Jesus was a **different kind of king**.
- We remember that **Jesus died for our sins to give us life!**

On Christ the King Sunday, we celebrate Jesus being Lord of all. Even though Jesus died, he still lives and reigns. Decorate this crown with jewels and gems.

Jesus died on the cross to show just how much he loves you.

The church uses many pictures to help us think about and know Jesus. Sometimes these pictures are called *symbols*.

Look at each of these symbols and color them. Then trace the words.
